FROM THE CEO

From the moment Australia retained The Ashes in an engrossing, drama-filled 2023 series in England, the anticipation for the next instalment of cricket's greatest historic rivalry has grown.

Having held the urn since a comprehensive 4-0 victory in 2017/18, would Pat Cummins' all-conquering Australians continue their domination on home turf? Would England's ballistic Bazball tactics prove effective in tough Australian conditions? Had old wounds healed or merely festered since the last series?

Now the stage is set for one of the great Ashes battles – and one of the great cricket seasons – as our game demonstrates its unique status as Australia's National Sport with matches to be contested in every capital city in a single season for the first time in 17 years.

The action begins with the return of the Top End series as the Australian Men take on South Africa in three One Day Internationals and three T20 Internationals in tropical Darwin, Cairns and Mackay – the precursor to a blockbuster eight-match white ball series against India that will have Australian stadiums rocking.

After their historic Ashes whitewash, Australia's women will take on rapidly improving India in a multi-format series that will give the world champions another chance to showcase their talent in some of our great stadiums including the SCG and Adelaide Oval.

We have many ways to ensure you, and your guests enjoy a fantastic summer filled with memorable moments including our ultimate indulgence The First XI dining experience, the more casual Lounge and venue-specific offerings including The Deck at Adelaide Oval, the Sky View Bar at Perth Stadium and the Captain's Bar at The Gabba.

This will be the season of a lifetime, and we can't wait to see you at the cricket.

Todd Greenberg
