FROM THE CEO

We're calling this 'A Season Like No Other'. A season that spans eight cricket-filled months and culminates in a brilliant celebration of our game.

The 150th Anniversary Test Match at the MCG from March 11-15 will be a wonderful event, bringing together many of cricket's greatest players to celebrate the history of the storied Australia-England Test rivalry, and the evolution of the sport.

Excitingly, this will be the culmination of a season in which we celebrate fierce and friendly rivalries and take the game to new and developing markets ensuring fans across Australia enjoy the action first-hand.

It begins with the men's NRMA Insurance Test series against Bangladesh in Darwin and Mackay in August – the tropical winter climate and the outstanding venues in both cities providing a fantastic new window for our star-studded Test team to compete.

We love beating New Zealand – and, if you believe the Kiwis, taking things like pavlovas and Phar Lap from them! The four-match NRMA Insurance Test series and women's ODI and T20 series against New Zealand will provide fantastic entertainment in the heart of the summer.

Our stadiums were heaving last summer for the Ashes series against England. This time the England white ball squads will tour for five T20s and three ODIs to be played in six states and the ACT. Expect an intense battle with both teams preparing for the 2027 World Cup – and just wanting to beat their greatest rival.

We're proud of the variety, intensity and visibility of a schedule that spans the nation and we can't wait to see you at the cricket.

Todd Greenberg
