General

2. This policy only applies to Tickets purchased for a Match (for premium experience packages, see the Cricket Australia Premium Experience Conditions).
3. Other than what's covered by the Applicable Law (including the Competition and Consumer Act 2010 (Cth)), paragraphs 6 to 14 set out the only circumstances in which a Ticket Purchaser (you) may be eligible for a Ticket refund or part thereof.

Effective as at 1 May 2026

4. All refunds are subject to the Conditions of Refund, as well as the other terms of this policy.

Public Health

5. Cricket Australia has the right to cancel any Ticket and refund 100% of the Ticket Value if:
- as a result of directions, regulations or restrictions imposed by Cricket Australia or a State Government, there are limits or restrictions on the number of patrons that may attend a Match; or
 - it decides such steps are necessary in the interests of public health.

When are you eligible for a refund?

6. Single Match ticket holders:

Match Format/Ticket Type	100% Refund
Test – Full Day	Less than fifteen (15) overs are completed and no result is recorded for the Match on the day
ODI	Less than fifteen (15) overs are completed during the entire Match and no result is recorded for the Match
T20 (incl. W/BBL Matches)*	Less than six (6) overs are completed during the entire Match and no result is recorded for the Match

Please note: For the purposes of this policy the question of whether a “result” has been recorded will be determined having regard to the Laws of Cricket (as in force at the relevant time).

For clarity, refunds under this clause apply only where the overs thresholds are not met and no result is recorded for the Match. A Match that is completed early in the ordinary course of play is not eligible for a refund. See clause 17(a).

**Where a ticket grants access to multiple Matches in one day, a refund will only be payable where paragraph 6 above applies to all the Matches played on that day.*

Refunds for other reasons

7. You will be eligible for a refund of 100% of the Ticket Value of the Ticket if:
- the Match is cancelled in advance of the Match date;
 - the Ticket is for a Match rescheduled to another Venue;
 - the Ticket is for a Match rescheduled to another date (at the same Venue), subject to your election under paragraph 9 of this policy; or
 - you're entitled to a refund under Applicable Law.
8. It is worth noting that NO refunds will be payable where the start time for any Match is moved or otherwise delayed – as long as the Match takes place on the date originally scheduled as set out on the Ticket. The only exceptions are those in paragraphs 6, 7, 9, 11, 12, 13 and 14.

Rescheduled Matches

9. If a Match is rescheduled to another date at the same venue, you do have options and can:
- use the existing Ticket for the rescheduled Match; or
 - get a refund of the Ticket Value (subject to your compliance with paragraph 29 below).

Memberships and Packages

10. Paragraphs 6 to 9 do not apply if you hold a:

 - b. Venue related membership which permits you entry to the Match (the Venue Membership); or
 - c. Travel Package – Test Match 2 or 5 day package (the Travel Package).
11. If you obtained entry to the Match using only your Team Membership, any refunds will be governed by the W/BBL team membership policy and this refund policy does not apply. Please contact your W/BBL team's membership department for more information.
12. If you obtained entry to the Match using a Venue Membership or a venue based members visitors ticket (even if you hold a Team Membership) any refunds will be governed by the Venue membership refund policy and this policy won't apply.
13. If you purchased a 2 or 5 day travel package from the Cricket Australia Travel Office or any of its approved agents for any Test Match and if during one or more of the relevant days less than fifteen (15) overs were played and no result was recorded for the Match on the day, then you should contact either the Cricket Australia Travel Office or the approved agent you booked your travel package with to receive details in relation to any refund and how this will be paid.
14. In the circumstances set out in clause 13, you may be eligible for a refund of a portion of the value of the Ticket (taking into account things like the number of days affected, and the number of overs played on each affected day etc.) such value to represent the value of the total package price apportioned by Cricket Australia for the Tickets to the relevant day in its sole discretion.

19. Cricket Australia won't be liable for any associated costs, expenses or loss (including, without limitation, things like indirect and/or consequential loss, such as for travel to the Venue or any accommodation costs).
20. Where one of paragraphs 6 to 14 of this policy applies, only the original Ticket Purchaser will be entitled to a refund. If the details of the Ticket Purchaser provided with any refund application do not match the details of the Ticket Purchaser held in relation to the original purchase of the Ticket(s), no refund will be paid.
21. No refund(s) will be payable in relation to any Ticket(s) which, for whatever reason, were provided free of charge.
22. No refunds will be payable if you or any Ticket holder is refused entry to, or removed from, a Venue

24. Cricket Australia cannot provide refunds or any form of compensation for tickets purchased through non-authorized ticket sellers.
25. Cricket Australia reserves the right to make amendments to this policy from time to time at its sole discretion and without notice. All refunds will be determined in accordance with the Cricket Australia Refund Policy in place at the time of your purchase.

If you purchased your Ticket(s) with a credit card online, via call centre or mail order, and you are entitled to a refund in accordance with this policy, Cricket Australia will request that the relevant Ticket Agency process your refund via the original payment method.
